OTHER

POWER	230V (grounded) at 2 positions: at Gino's and Anja's pedalboards. See stage plot.
VOCALS	Dylan sings, screams and raps: please compress the lead vocal and leave room for dynamics. No auto-tune.
SOUND	Tight and heavy: dry, punchy kick and snare, bass and guitar clearly separated. Lead vocal always on top.
LIGHTS	No own light tech. Lots of red, white and contrast please; no blue/purple wash. Blinders and strobe welcome on the breaks.
BACKING TRACKS	None, no click. Everything is played live.
